*2020-2021 Season*

I hope this finds you all well. Our CPFSC Board of Directors have been busy working on planning a safe and enjoyable 25<sup>th</sup> Season by working collaboratively with the US Figure Skating Association and the Collins Perley Management while adhering to the guidelines established by the State of Vermont. The Complex has imposed the same guidelines for all users albeit, all group exercise activities, BFA High School, SASA Hockey, Tennis etc. The guidelines are as follows:

- No more than 45 participants on the ice for each designated session.
- Arrive no more than 15 minutes prior to ice time to allow for cleaning & sanitizing by CP Staff.
- There are two established entry points for CP Figure Skating members – one at the southwest corner adjacent to the Zamboni and the northwest corner of the ice rink in the rear of the building adjacent to the playground area. **DO NOT ENTER IN ANY OTHER LOCATIONS**
- Upon entering EVERYONE will be required to wear a mask, temperatures will be taken and recorded. A designated area, socially distanced will chairs will be provided for skaters to lace up.
- To mitigate time within that designated area, we ask that if you can, please arrive ready to skate, skates on.
- Only ONE parent/guardian per skater, no siblings allowed.
- One bathroom will be assigned to our skaters and coaches with notification prior to the day of. These will be adjacent to locker rooms 4, 5, 6 & 7.
- No parents/spectators are permitted to remain in the rink at this time which includes the lobby and bleachers. You will be required to wait in your vehicles in the parking lot.
- LIVE BARN was installed in the rink last season. LIVE BARN allows members to view their children while on the rink, by computer or smart phone. A 10% discount will be provided by registering at this site:
- The group lesson will begin immediately with no warmup time period provided in order to limit contact.
- **A COVID19 waiver form as well as all other registration forms must be signed and received for each skater/prior to September 19<sup>th</sup>.**
- We encourage you to be smart & be safe! Please comply with all guidance being given by our local and state leaders to ensure a healthy environment for all. If anyone, including coaches, parents or skaters arrives with a temperature they will be asked to leave immediately. If anyone shows any signs of sickness or exhibiting any COVID type symptoms (cough, runny nose, sore throat, headache, etc) even if they do not have a temperature, they will be asked to leave immediately.
- If for any reason CPFSC is not able to have our season a refund will be provided to our members. If we are cut off mid-season a partial refund will be given on a pro-rated basis. The calculation for the partial refund will be based on the number of skating days scheduled per session beginning October 1, 2020 thru February 28, 2021.
- Due to the restrictions on public gatherings we will not be permitted to hold an end of the season show. But this will allow us with an opportunity to extend the group lesson time and continue to work on badges and skills.

Registration is now open and it's imperative that we have your forms asap in order to plan accordingly. Sessions will be considered as follows:

- ½ hour Beginner group lesson 5 years or younger on Monday evenings
- ½ hour Power Skate/Drills on Monday evenings Basic 5 level skater or higher required.
- 1 hour Group Lesson - Monday evenings All levels
- 1 hour Group Lesson – Saturday mornings All levels

We are confident that by remaining prudent and cautious we'll have a somewhat different but successful skating season. CP Figure Skating and the Complex is committed to adhering to all necessary state guidelines on public gatherings. If there is a change instituted by the state, these guidelines could change. Our objective has been and will continue to remain that your child work hard, gain confidence, increase their skills but most importantly, have fun!

EXACT SCHEDULE HAS NOT BEEN FINALIZED however, tentatively Saturday classes will begin on October 3<sup>rd</sup> and Monday's October 5<sup>th</sup>.

All registration forms must be paid in full and received by September 19, 2020 at the address listed above. No exceptions and no walk-in enrollments will be accepted

As a member of the club you will receive a USFSA membership card with a member number. Be sure to log onto [www.usfsa.org](http://www.usfsa.org) to create a profile and access additional exciting information. Sweatshirts, turtlenecks and fleece jackets embroidered with our logo are available at a minimal cost. They are a nice way to keep warm and to display your accomplishments. If you are interested in purchasing one of these, please contact Rhonda Somers-Fletcher at the above number.

**Students are assessed individually and grouped based upon their skating ability and not their age. The USFSA Learn to Skate Program awards Badges for each level of skating accomplished.**
